SNACK TIME

ASC provides a snack each day. If your child would like something more or different, we suggest you pack it in their lunch. They are always welcome to eat what is in their lunch box from earlier in the day.

ALL children participate in homework/quiet time. Children may continue to work on homework if they haven't finished. All children must have quiet items to keep them busy, such as coloring or drawing items and/or books.

Children must come prepared for homework with pens, pencils and paper.

Grades PK-2 will participate in homework quiet time for at least 20 minutes and the ASC staff is available to assist with homework. Afterwards, they can participate in small group arts & crafts, puzzles, board games, stories, computer, etc. FRIDAY is Movie Day and children are invited to bring in their favorite family-rated movie to share with the group. During nice weather, we try to be outside during homework and play time on the playground or doing supervised games.
