What color is your car: **maroon**

Tell us something that most people don't know about you: **When I was a freshman in college, a group of us decided to go climbing on what is known as "the cliffs" which was, actually, the side of a mountain. When it came time to go back up, it was slippery and there were not many branches to hold onto. I didn't know how I was going to make it back up. We finally made it, but I was so shaken by this that all the rest of my years there I never went climbing the cliffs again.**

Thank you, Mrs. Taylor! It's been great getting to know you better!
