Dear Parent/Guardian:

St. Anthony's is proud to share good news about our students, school programs, and other events, while protecting learning time and being sensitive to our student's privacy. Therefore, we give all parents or legal guardians the opportunity to request that their child NOT be included in any media/internet coverage during the school year.

Possible coverage includes child's photo, writing, and/or quotations to be used in newspaper, television, radio, or internet sources, to share news about school and our educational program during the 2010 - 2011 school year.

Please sign and return this permission form indicating whether or not you wish your child to be included in any media coverage during the academic year.

2011 – 2012 Media Denial Form

Please complete this form and return it to school by August 27.

 I DO want my child to be included in media/internet coverage during the 2011 - 2012 school year. I know that my choice applies to the entire school year, unless canceled in writing by me, the parent or guardian.
