

## Committee Roster for 2010-11 School Year

As the weeks pass quickly and we turn our thoughts to preparing for the end of the school year, we ask that you please take a moment to consider helping out with one or more of the HASA committees for next school year. Below is a brief description of all of the HASA committees and the respective chairs for 2010-11. **The highlighted committees are especially in need of helpers and would be very appreciative of volunteers.** There is an opportunity to suit every talent, and also for helpers with different levels of availability. This is also a great way to become better acquainted with some of our many wonderful school families!

If you would like to help with a HASA committee for next year, please place a check mark in the box next to the committee(s) and return to school to the attention of “HASA – Jenny Miller”. If you have questions regarding a certain committee, please contact the committee chair at the listed number.

**We are grateful for your support of time, talent and treasure and look forward to serving our students, faculty and families in the upcoming year. Thank you!**
